North Springs Monument Young Life: Please pray as they invite young people to experience life as God designed it to be lived. Pray for the Campaigner Groups as they continue to dive into Scripture. Pray for the kids that are signing up for the best week of their life at YL summer camps.		The McKelveys: Praise God for Sean's visit to Indonesia in February: he was able to connect with project leaders and encourage them, and they spent some concentrated time planning for 2026. Pray that God would continue to grow leaders and the project through the plans that were made. One exciting development is the growth of the national church planter we hired last fall: he is excited about moving to the village and has been working hard in his training. Ask God to give him patience as his leaders consider the right time to make that move and pray for his continued growth in experience and wisdom as he practices reaching out to people in the city. Thank God for an answered prayer for our daughter Ella, who was able to move rooms and get into a better roommate situation. We appreciate your prayers and support! Warmly, Sean			Please pray for the children of Hope & Home - 304 today. We continue to get calls from different counties across Colorado who need our help with recruitment, licensing, and supporting foster families. As our growth surges, please pray that God would give us wisdom, strength, and guidance.

The Gideon Card Bible Program serves as an essential, accessible tool for everyday witnessing, seamlessly complementing The Gideons International's other large-scale Scripture distribution efforts. It makes personal evangelism accessible to every member and supporter, providing a simple yet powerful way to share your faith in the "traffic lanes of life". Pray for them as the share God's Word in the traffic lanes of life.		Chris Oliobi, The Navigators: Praise God for the blessing of Chris' new wife Nkechi who has been working for Navigators in Nigeria for over 30 years.	Voice of the Truth: The radio is still allowed to be broadcast around the world, including the Middle East. Even though there are other mediums being used, God is still using it as testimonies bear witness and many are coming to Christ. As a result, many have signed up for correspondence courses on the Life of Christ and the life of Paul. Certificates of completion are a highlight of their successful studies. The office is short-staffed right now as Amy fell and sustained serious injuries to her shoulder and other bruises, etc. Pray for Amy's healing and recovery.		Curt Mackey, Campus Crusade and International Partnerships (IP): Your faithful prayer for this ministry is crucial to leading the spiritually lost to faith in Jesus Christ. During this time of war, please pray for the team's safety, provision, and compassion as they respond to the spiritual, emotional, and physical needs of their fellow Ukrainians. Pray for Curt's health and the re-gaining of his strength

Debbie Halverson, International Students, Inc., Yesterday (02/27) in our Bible study, we were in the last half of Acts 13, where Paul warns people not to delay in putting their trust in Jesus for eternal life. We talked about what eternal life is -- a relationship with a holy God forever -- and what heaven might be like. Three of the ladies are not yet believers, and I encouraged them to talk with me at some point if they would like to make that decision. Please pray that the Holy Spirit would continue to draw them to put their trust in Jesus.		Rick Yates is still plugging away in the Concern class. Pray for continued good health for Rick and the class.
