

Pathfinders Mission Partners Prayer Calendar – June 2026

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	
1 Voice of the Truth: We had four church plants in 2025--Idaho, Chicago, Florida and Ohio. In the DC area and Southern California, Arab churches have seen an increase in church attendance among young people as they have begun to successfully incorporate English services and classes. Continue to pray for these pastors for good counsel and encouragement.	2 Chris Oliobi, The Navigators: Pray that Chris' wife, Nkechi, will soon receive her spousal visa to come to South Africa from Nigeria to join Chris in discipling new believers in Christ.	3 Young Life North Springs Monument: Pray that the summer camps will be filled with kids who will have fun with friends and their Young Life leaders and hear the message of God's love for them in terms they can understand.	4 The McKelveys write, Requests for June: "We appreciate your prayers for our family during lots of transition: kids moving from school to jobs, kids moving, and Angie working some different jobs during her summer break. We are thankful for all these things but there is a lot to keep track of. Sean is working with a number of global workers who are also in transition: some because of team changes, some because of location changes (and some of those because of war), but all of them dealing with what the changes mean for them and their call to serve around the world. Pray that he can encourage them in the direction that God is leading and help them through the many details of life changes. Sean will be traveling to CO in June and meeting with a number of churches and workers - pray for productive meetings that build up global workers and strengthen partnerships. He will return home for a few days before a visit to Indonesia beginning the end of the month. We appreciate you and your partnership!"	5 Ted and Brandy Cox, Greater Europe Mission: Thank the Lord for Ted's ministry conference, The Way Northern Ireland, where people came together to fellowship and be challenged to move deeper into their relationship with Christ.	6 Gideons International: Pray for the grieving and emergency Testament distributions to law enforcement, fire fighters and EMT's. Continue to pray for open doors to hospitals, medical offices, veterinary clinics, prisons and jails, crisis pregnancy centers and domestic violence shelters. (Isaiah 55:11).	7 Dale House Project Praise the Lord that Dale House is available to young people to help them find safe housing, meaningful work, steady relationships and support when they are ready to ask for help.	
8 Touch of Love International (TOLI): Praise the Lord that TOLI's 4,000 current clients in Egypt, Kenya, Ethiopia, and Uganda with small microloans of just \$200 to \$300 are growing businesses that provide lasting income for their families with repayment rates exceeding 95%.	9 Tom Dorman, The Navigators, asks that we please pray: 1. For our staff team as summer approaches. It is the best time to meet new young adults as we plan outings and activities in our groups. 2. For our staff to grow in prayer and submission to Christ in all areas of our lives.	10 Chaplain Dan Matsche, Good News Jail & Prison Ministries asks us," please continue to pray for Shirley's full recovery. It is a long road. Pray for clarity of mind as she is still quite confused. And pray for me as her caregiver and advocate at rehab where she now is. "	11 Rick Yates, writes, "Pray for my wonderful Concern class. We are all getting older with lots of physical problems. Pray for Elaine, Lewis, Pat, and Ken. I'm now 90 but in good health. Thanks. Rick"	12 Tim Conrad, Uncharted Waters (UW) Sports Ministry, pray for the children's 8-week soccer called League United and the gospel presentation. Pray for the response to invitation. Pray for The Conrad's transition from 30 years of UW Sports Ministry missionaries to new discipleship/writing ministry called "Share the Moment" which starts in August. Pray for the final summer camp ministry lead by Conrads - 10 weeks of locations in 3 countries June and July around World Cup of soccer.	13 Debbie Halverson, International Students, Inc., Praise God for His work through our International Women's Connection ministry this month. Thirty women attended our final gathering of the season, where they heard about Christ's love reflected through the love of mothers and our calling to share His love with others. Pray for several women who were especially touched by the message. The Lord continues to open doors for gospel conversations through friendships, hiking groups, and Bible studies. One woman has begun attending Bible study, and we pray that all who are studying God's Word will respond to Christ's invitation without delay and see His faithfulness in answering their prayers. Please pray for my Iraqi friend, Shifaa, that God would open her heart to the truth of the gospel. Also pray for wisdom and provision regarding an immigration situation for another international friend and her family.	14 Young Life Pikes Peak Region invites us to join in prayer for their summer ministry. More than 200 students and leaders will attend camps throughout the summer, providing opportunities for young people to hear the Gospel, grow in their faith, and encounter the transforming love of Jesus Christ. Pray for safe travel, open hearts, and for the Holy Spirit to draw students into a deeper relationship with Christ. Ask God to strengthen and encourage leaders as they serve, reflecting Christ's love and truth to those in their care. Please also pray that the Lord will provide the remaining \$10,000 needed for camp scholarships so that every student who desires to attend can experience the hope and life-changing message of the Gospel. Finally, pray for the staff team to find rest in Christ, wisdom in planning, and renewed vision as they faithfully serve Him and invest in the lives of students.	
15 Today, Hope & Home is caring more children in our foster homes. Please pray that God would protect these precious children. As numbers continue to surge, we must always remember that every single one of these children are unique and their individual story matters to the heart of God. They have experienced so much hurt, disappointment, and trauma. Pray that God would heal them and provide restoration. Pray also for the "Taste of Italy" event on June 26 th .	16 Curt Mackey, Campus Crusade and International Partnerships (IP): Your faithful prayer for this ministry is crucial to leading the spiritually lost to faith in Jesus Christ. During this time of war, please pray for the team's safety, provision, and compassion as they respond to the spiritual, emotional, and physical needs of their fellow Ukrainians. Please continue to pray for Curt's health and the re-gaining of his strength.	17 A former Get Set family has to travel to care for a dying grandparent, they wrote to ask for prayers.
