

## Pathfinders This Sunday - June 07, 2026

Jim Edwards is our teacher this Sunday. Jim's lesson will be from 1 Peter 4:1-11. Blair Stewart will lead us in songs of praise.

Jim has prepared an outline that you can pick up on your way into class by the piano. The outline does have room for notes. Audio of the lesson is uploaded to our website <https://mypathfinders.org/pathfinder-audios/> and available on Monday.

**In the Beginning:**  
**A Commentary on Genesis and Its Reception in the New Testament**  
**A new book by Jim Edwards**

*In the Beginning* provides historical and critical exposition of the Hebrew text of Genesis while also explaining the book's theological significance within the biblical canon as a whole. The result is a beautifully nuanced perspective—not only of the memorable events and colorful characters within the first book of the Bible, but also of the book's place in the larger story of Scripture.

Available at Amazon, Barnes & Noble, Eerdmans, and other book sellers.

Wm. B. Eerdmans Publishing Company has honored the book as its "Book of the Month."
