

Pathfinders Mission Partners Prayer Calendar - July 2026

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			1 The McKelveys, Pioneers. Here are requests for July: Sean travels to Indonesia 28 Jun, then home to Chattanooga 18 July. Ask for good connections with teammates while Sean is in Indonesia, that he will both encourage and direct them toward healthy lives and effective work/ministry. Ask God to lead our company's General Manager as we work to comply with some regulations that feel like big burden. Lift up Angie and Ella while Sean is gone, for God's protection and encouragement. Pray that the local growers and communities we work with would feel seen and cared for and that we could point them to Jesus and God's love. Warmly, Sean	2	3 Be praying for my seemingly busy schedule. I have so many people to relate to, i.e. SS Class, family, neighbors, friends, and add my preparation for SS class, my correspondence with many, housework etc., etc. For a 90-year-old who gets tired easily it's too much. Ha That's life, I think. 😊 I fell down again recently. Pray for careful balance for me. all in all, things are going pretty well. Thanks for praying. Rick Yates	4
	5 The Gideons International convention will be held in Charlotte, NC, on July 22-26. This will be a time for praising God and have fellowship. This year's theme is "Sharpen the Edge" from Ecclesiastes 10:10, which reminds us that even when you have strength, applied wisdom is the true path to success.	6	7 Chaplain Dan Matsche, Good News Jail & Prison Ministry, asks, "Please continue to pray for Shirley as she recovers from a terrible car accident on April 10 th where she was badly injured. Shirley was home on July 1 st .	8	9 Hope & Home: "Please pray for Hope & Home as the Summer months are upon us. Summertime is a notoriously slow time for placement at Hope & Home, not because abuse isn't happening, but because children don't have the opportunity to ask for help. The primary way abuse and neglect are discovered is through mandatory reporters. Teachers are the number one mandatory reporter. So, when children aren't in school, their teachers aren't having the opportunity to intervene. So, please pray for the children whose mistreatment is flying under the radar right now. Pray that God would protect them and would be equipping the families who will care for them in the Fall."	10
12 Curt Mackey, Campus Crusade and International Partnerships (IP): Your faithful prayer for this ministry is crucial to leading the spiritually lost to faith in Jesus Christ. During this time of war, please pray for the team's safety, provision, and compassion as they respond to the spiritual, emotional, and physical needs of their fellow Ukrainians. Please continue to pray for Curt's health and the re-gaining of his strength.	13	14 Debbie Halverson, International Students, Inc. "My prayer request this month is for two Chinese ladies who have been in my weekly Bible study. Each of them has a 14-year-old son, and each of them are dealing with behavioral issues with their sons. Neither lady is a believer yet. They have asked me to pray for them and their families, so I would appreciate your prayers for these two precious ladies, their sons, and their families. Thank you!	15	16 Praise the Lord that Dale House is fighting for young people to have a future bigger than the labels, stigma, and failures that have followed them. Dale House is helping them find safe housing, meaningful work, steady relationships, and support when they ask for help.	17	18 Voice of the Truth: Recently, 60,000 Gospels of John were printed in Lebanon. Pray for the Lord to use them among the Muslims, Druze and nominal Christians in the area. Also, the monthly magazine sent, that many lives might come to know Christ. Last month's issue included a tract "Free from Fear".
19 Ted and Brandy, Greater Europe Mission, are working hard on the spiritual discipline of thankfulness. They are privileged to serve our Lord making art for His glory. The road isn't easy but is very good! They thank us for being part of their journey.	20 We are thankful for the faithful prayer support. Pray for the family with car trouble from last month - the car is yet to be fixed. Pray for wisdom and perseverance with that trouble. Another family has the chance to get a rental contract - pray for them in this step, a number of times things have not worked out and they keep ending up in unstable situations. Pray for the Lord to lead in finding more children for our program - to love as many children as we can. Elsie Crouse, Preschool Director	21	22	23 Young Life Pikes Peak Region invites us to join in prayer for their summer ministry. More than 200 students and leaders will attend camps throughout the summer, providing opportunities for young people to hear the Gospel, grow in their faith, and encounter the transforming love of Jesus Christ. Pray for safe travel, open hearts, and for the Holy Spirit to draw students into a deeper relationship with Christ. Ask God to strengthen and encourage leaders as they serve, reflecting Christ's love and truth to those in their care. Finally, pray for the staff team to find rest in Christ, wisdom in planning, and renewed vision as they faithfully serve Him and invest in the lives of students.	24	25
26 Touch of Love International: Pray for the TOLI staff and Christian leadership in Egypt, Kenya, Ethiopia and Uganda. They provide business training, microloans, and Christian discipleship to all clients.	27 Chris Oliobi, The Navigators: Pray for Chris as he develops ministry in churches and marketplaces and provides leadership for disciples in many countries in sub-Saharan Africa.	28	29 Tom Dorman, The Navigators, asks that we pray for refreshment and renewal this summer as well as vision and direction for the staff team that ministers to young adults; for various neighborhood outreach happening that the team is initiating; for the possibility of a new work among young adults in Iowa for one of the staff couples. Praying for God's direction.	30	31 Tim and Carol Conrad, UW Sports Ministry: 1. Pray for safety in travel as our local team travels the next two weeks out of local area to Toronto, and New Mexico, to minister to kids from Arabic speaking families in Toronto Canada and then Navajo Children in New Mexico. 2. Pray for paperwork to be properly done on new non-profit built for developing materials in discipleship connected to men's, families and sports and mission ministries in the local church.3. Pray for Conrads as they transition to this final phase of missionary strategy as their aging process brings them to writing and advising as the primary ministry activities. 4. Pray for wisdom and insight to be clear on each decision to bring God Glory.
